Part #: **BOTTLEBOB**

- Provides secure M5 threaded holes for fastening batteries to bike frame
- Adapts to wide range of tube diameters, up to 57mm with included clamps
- Includes low profile M5 screws, #28 hoseclamps, and heatshrink sleeve
- Machined from aluminum with black anodized finish

Cut heatshrink tubing to length and
slide over hoseclamp strap
to protect paint job

Tip: Tuck the end of the
hoseclamp tab into the
heatshrink for extra tidy
install.
